River Falls Ambulance Service
Meeting & Training Excuse Form

It is the duty of all members of River Falls EMS to attend meetings and trainings. However, personal issues and events come up from time to time where a member may need to be excused from a meeting or training. This form will excuse a member from their duties. Each member understands that they will be personally responsible for any training sessions missed that are needed for national registry or state licensure requirements. All information below must be filled in completely, accurately and signed by proper personnel. This form must be submitted to an officer prior to the start of the meeting or training to be valid.
